Member of
The Community Foundation
of Central Wisconsin**

Scholarships

In 2016 the Fat Boy Invitational awarded four scholarships worth \$1,000.00 each. The scholarship recipients were Abbie Ter Maat, Jake Hofmeister, Kelsey Shuda and Taylor Thomas. We look forward to continuing our scholarship program in 2017.

Scholarship money is designed to help students who have a financial need, a strong academic grade point average, and a desire to attend higher education through a college, university or technical school.

The Fat Boy Invitational is proud to support junior golf throughout Central Wisconsin as we strive to fulfill our motto of *“Making a Difference in Today’s Youth and Tomorrow’s Game”*.

If you would like to contribute directly into our Scholarship Fund through the Community Foundation of Central Wisconsin, please contact us at fatboygolf@fatboyinvitational.com.

Special Thanks

We would like to give a special thank you to everyone who has contributed in the past and helped make the Fat Boy Invitational a huge success. We would also like to thank all the golfers who have played and supported the event over the years. Without your support and contributions, we would not have been able to achieve the success we have. Through all your generosity, the real winners are the junior golfers who have benefited from this event!

About Us

The Fat Boy Invitational is a non-profit fundraising organization, which has been supporting junior golf programs in Central Wisconsin since 1997. We are a part of the Community Foundation of Central Wisconsin. Their mission is “to make Portage County a better place in which to grow, work, play, and retire by helping people, enhance education, enriching arts and culture, contributing to wellness and improving the environment through financial management of gifts and grants from organizations and individuals”.

The Fat Boy has donated over \$55,000 which has been used for golf instruction, green fees, teaching aids, equipment, youth days, golf team uniforms, trophies, bus trips to PGA events, and scholarships. The Fat Boy has also been instrumental in developing a low cost golf event for junior golfers in the area called the PoCo Junior. The Fat Boy has also contributed to the Junior Golf League, which is an interclub competition much like the Ryder Cup. We are proud to promote and support junior golf throughout Portage County and Central Wisconsin.

Our motto is “Making a Difference in Today’s Youth and Tomorrow’s Game”. We give today’s youth an opportunity to explore the game of golf in an organized and structured environment. The game of golf teaches today’s youth about honesty, loyalty, dedication and respect.

The Fat Boy was started because, as golfers, we wanted to give back to the younger generation. We want today’s youth to have opportunities that were not available many years ago. With our support, we hope to increase the interest in the game of golf and show today’s youth how fun the game can be.

We sincerely thank you for your support,

The Fat Boy Committee
